He is a retiree of LCG and feels the effects of the increase because retirees pay full coverage insurance without the benefit of cost of living increases.

(TAPE 1)(SIDE B)(524)AGENDA ITEM NO. 8: O-109-2004 An ordinance of the Lafayette City-Parish Council amending the FY 03/04 operating budget of the Lafayette City-Parish Consolidated Government by transferring \$20,725 from Survey Equipment to Reserve. A motion to approve by Conque, seconded by Bourgeois, and the vote was as follows:

NAYS: None

ABSENT: Badeaux, Williams, Benjamin, Stevenson

(TAPE 1)(SIDE B)(537)AGENDA ITEM NO. 9: O-110-2004 An ordinance of the Lafayette City-Parish Council amending the Lafayette City-Parish Consolidated Government Code of Ordinances Chapter 6 adding Section 6:96, “After Hours Clubs”. A motion to defer for 30 days by Broussard, seconded by Benjamin, and the vote was as follows:

YEAS: Bourgeois, Williams, Benjamin, Broussard, Conque, Mouton, Menard

NAYS: None

ABSENT: Badeaux, Stevenson

ABSTAIN: None

*Motion was deferred for 30 days.*

Tim Melancon, ATAC Project Manager explained that the “After Hours Clubs” are not licensed to sell alcohol and are opened between the hours of 2:00 a.m. and 5:00 a.m. Patrons are leaving alcoholic establishments and are migrating to the after hours clubs. The Administration, as well as the Council Office, has been receiving numerous calls concerning the noise, drugs and traffic problems that are taking place. Because of the amount of patrons arriving at the after hours clubs, it becomes a strain on the manpower of the Police Department. In order to follow the same outline of the alcoholic beverage clubs, he is requesting, through the concerns of the residents that are affected, for a 2:00 a.m. closing. Conque expressed his concerns with the noise, loud music and crowd control and encouraged the Council’s support.

Upon questioning by Broussard, Melancon explained that alcohol is being consumed in the parking lots. In one of the clubs, needles and drug paraphernalia were found once the lights were turned on, therefore, there is a strong concern with drug use. There are currently 2 “After Hours Clubs” that exist. At the peak time, individuals are driving through neighborhoods with broadcast vehicles, urinating behind buildings and drug activity/transactions in the parking lot.

(TAPE 2)(SIDE A)(001)

Broussard asked if Melancon had met with the property owners to determine a solution.

Melancon responded affirmatively. After conducting research, it was discovered that Baton Rouge has a similar ordinance in which the subject ordinance is mirrored.

At this time, Broussard requested this item be deferred for 30 days in order that the necessary departments may meet with the club owners to determine a solution on eliminating the problems that exist. Benjamin requested that the penalties involved are enforced and prosecuted.

(TAPE 2)(SIDE A)(104)AGENDA ITEM NO. 10: O-111-2004 An ordinance of the Lafayette City-Parish Council amending the FY 03/04 operating budget of the Lafayette City-Parish Consolidated Government by decreasing Grant Revenues and Downtown Street/Sidewalks Project. A motion to approve by Benjamin, seconded by Conque, and the vote was as follows:

YEAS: Bourgeois, Benjamin, Broussard, Conque, Mouton, Menard

NAYS: None

ABSENT: Badeaux, Williams, Stevenson

ABSTAIN: None

*Motion was approved.*

Carroll explained in 1995 there was a state enhancement grant program in which the City of Lafayette had applied for to improve sidewalks and landscaping. This program is a cost reimbursement type program in which once a project is done, LCG can request reimbursement. There is also some funding from the Streetscape project that continued to get pushed back for other funding. In Phase II of Streetscape, which is on Vermilion Street, the question arose if this portion would be eligible, because a large portion was for sidewalks and landscaping. These are not monies LCG has received; however, the time has expired for LCG to move forward. The subject ordinance basically removes the project off the books as a revenue.

(TAPE 2)(SIDE A)(136)AGENDA ITEM NO. 12: O-115-2004 An ordinance of the Lafayette City-Parish Council providing for the abandonment of a utility easement in Acacia Bluff Subdivision, located at the intersection of East Bayou Parkway and Acacia Drive. (TAPE 2)(SIDE A)(167)AGENDA ITEM NO. 16: O-119-2004 An ordinance of the Lafayette City-Parish Council providing for the abandonment of the utility niches on Lots A-2, A-3, A-6, and A-7 in Phase III of the Village of River Ranch, having municipal addresses of 112 Settlers Trace Boulevard, 108 Settlers Trace Boulevard, 106 Settlers Trace Boulevard and 102 Settlers Trace Boulevard, respectively. A motion to approve by Mouton, seconded by Conque, and the vote was as follows:

YEAS: Bourgeois, Benjamin, Broussard, Conque, Mouton, Menard

NAYS: None

ABSENT: Badeaux, Williams, Stevenson

ABSTAIN: None

*Motion was approved.*

(TAPE 2)(SIDE A)(175)AGENDA ITEM NO. 17: O-120-2004 An ordinance of the Lafayette City-Parish Council providing for the abandonment of a portion of Digby Avenue and utility easements and the granting of drainage and utility easements on Tract 1, Lot 87, and Lot 88 in Phase 2 of Austin Village, having municipal addresses of 412 Digby Avenue and 413 Digby Avenue, respectively.

Menard stated the residents in the subject area are requesting approval; however, he understands Conque concerns regarding deferral. The request is to abandon the original platted stub out street without having to return to the Planning Commission. Conque explained that the subject abandonment did not receive the approval of Public Works and Traffic & Transportation. Therefore, he would not consider this venture as a routine matter. Since the issue reverses a Planning Commission action, he felt it proper to refer this matter to the Planning Commission for their consideration. Menard requested to defeat the motion of deferral because unlike the typical neighborhood street network, which connects the neighborhoods together with stub outs, if the bridge were to be built at the end of the stub out, it would create a thoroughfare running through a neighborhood from LA 92 down many miles toward Beaulieu Place. Bourgeois concurred.

After lengthy discussion, a motion was offered to defer and reman back to the Planning Commission by Conque, seconded by Benjamin, and the vote was as follows:

YEAS: Benjamin, Broussard, Conque, Mouton

NAYS: Bourgeois, Menard

ABSENT: Badeaux, Williams, Stevenson

ABSTAIN: None

*Motion to defer was defeated as 5 votes needed for approval.*

The following persons were recognized:

**Robert Austin** stated that if this issue would return back to the Planning Commission, he intends to appeal once again. He explained that the subject issue affects one lot. He agreed that if a bridge would be constructed to cross over the canal, it would create an arterial. Since LCG is not offering monies for construction of the bridge and the purchase of right-of-ways, he opined the easement should be abandoned and move on.

After comments made by Menard and Benjamin, Austin felt that he had completed the process as recommended. Conque opined that in other incidences when two departments of LCG are in opposition to an abandonment, the issue does not come before the Council and added that it was Mr. Austin's option to appeal to the Council. Mr. Austin stated that since the Planning Commission had denied the abandonment, he could not appeal to them, therefore, he has requested the approval by the Council.

**C.M. Hightower** requested that the Council vote against any proposal that would allow the opening of Digby across the coulee at the southeast end of the street. He felt that such an extension would allow traffic to and from La Nouvelle Road to Verot School Road, which would endanger the residents and the safety of the children, as well as increase traffic.

**G. Paul Marx** stated that currently there is no development on the south side of Digby Avenue. If there were a big planning issue, he felt there would be plenty of ability of the Planning Commission and the departments of LCG to plan for any outlets that are necessary. The subject abandonment is basically a stub to a drainage canal.

The following persons signed a blue sheet in support of the ordinance; however did not wish to speak:

**Lucy Gammon**  
**Wallace Gammon**  
**Ashley Zanco**  
**Joseph Zanco**  
**Bill Adams**  
**James Kiesler**  
**Heidi Lloyd**  
**Jim Lloyd**

Stanley requested that Eleanor Bouy explain the process and also requested, depending on the vote of the Council, the LPUA reconvene to address the companion ordinance, which was deferred. Bouy explained since 1988, a developer is required by the Planning, Zoning & Codes Department to work with all necessary departments. Once all comments are returned, a recommendation is submitted to the applicants and submitted for approval by the Council. The Planning Commission is only a recommending body and the Council is the only group that can abandon or deny.

(TAPE 3)(SIDE A)(001)

This particular issue would automatically return to the Council if remanded to the Planning Commission. Broussard expressed his concerns with regard to receiving approval by both entities.

A motion to approve was offered by Mouton, seconded by Bourgeois and the vote was as follows:

YEAS: Bourgeois, Menard

NAYS: Benjamin, Broussard, Conque, Mouton

ABSENT: Badeaux, Williams, Stevenson

ABSTAIN: None

*Motion to approve was defeated.*

A question was raised regarding the required vote count for appointments therefore, nominations were held again. A motion to appoint Barbara Conner was offered by Broussard and a motion was offered by Benjamin to appoint Fredrick Prejean.

**Conner:** Bourgeois, Broussard, Mouton, Menard

**Prejean:** Benjamin, Conque

Since the question still remained regarding the required vote count, Mouton offered a motion, seconded by Broussard to defer this appointment until research can be conducted to determine vote count requirements and the vote was as follows:
